Torrance Postman Cited For Saving Lives of Four

A score of fellow postal workers and the four children he is credited with saving were on hand Tuesday morning as Torrance Postman Thomas Nicholls was cited for heroism by President O. R. Trueblood at the Chamber of Commerce breakfast meeting.

Nicholl, who lives at 1811 Schilling Court, was cited by Trueblood for his courage in dashing in front of a careening auto on May 14, grabbing up 4-year-old Jerry Watson and shooing three other children

to safety in south Torrance. The other children were identified as Susan, 2, Laura, 4, and Richard Loebel, all children of Mr. and Mrs. Richard Loebel. Jerry is the son of Mr. and Mrs. David Watson.

The driverless car plunged on across the spot where the four children had been playing only seconds earlier, and crashed into a nearby residence.

Added substance to the honor was Mrs. Clara Conner, Torrance Postmaster, who presented a check for \$100 (less taxes) to Nicholl on behalf of the United States Post Office Department, and a savings bond for \$25 which she and other supervisory personnel at the Torrance Post Office contributed.

The children were introduced to the nearly 100 business and industry representatives at the breakfast.

Also cited at the meeting were President and Mrs. Forrest G. Murdock of El Camino College, who will be leaving this area at the end of the month to enter retirement.

Murdock was given a certificate of appreciation by Chamber President Trueblood for his contribution to the Torrance area with his work at El Camino College during the past 11 years.

Ted Coleman of Coleman Engineers and Harold W. French of Bank of America explained the operations of profit-sharing plans in their respective firms.

Testimonial to Albert Bartlett Set for Sunday

City Clerk A. H. Bartlett, who is beginning his 10th consecutive term in that office, will be feted at a testimonial banquet here Sunday evening at the Moose Lodge.

Bartlett, who has been city clerk of Torrance since 1922, came here in the employ of J. S. Torrance, founder of the city, and later became a cost accountant for the Union Tool Co., now the National Supply Co.

He started Torrance's first insurance firm, still operating as the Torrance General Insurance Co.

For many years he lived in one of the first few homes erected in the city, and presently lives with his wife, Jessie, at 1618 Amapola Ave.

He was instrumental in founding the Torrance Chamber of Commerce, and was a charter member of both the Kiwanis Club and the Lions Club.

He also is a past governor of the Moose Lodge, and a member of Torrance Masonic Lodge 447, Southern California City Clerk's Assn., and the Municipal Finance Officer's Assn.

Reservations for the dinner may still be made by calling Extension 24 at the city hall today.

CITY REBUILT
Managua, capital city of Nicaragua, almost completely destroyed by earthquake and fire in 1931, has been reconstructed largely with modern earthquake resistant buildings.
